Hello, I'm Charlie, the proud owner of Low Osgoodby Grange Weddings.

Low Osgoodby Grange is more than just a wedding venue to me —it's a place where memories are made, where family and friends come together, and where the natural beauty of the surroundings creates a magical backdrop for every celebration. I believe that weddings should reflect the uniqueness of the couple, and I am passionate about helping you create an event that feels personal, relaxed and unforgettable.

Having carefully curated every detail of the venue, from the tipis to the bespoke planning services, I'm here to ensure that every couple who chooses to marry here feels supported and at ease throughout the planning process. Whether it's offering advice on décor, recommending trusted suppliers, or simply being a friendly face on the big day, I'm always happy to help bring your vision to life.

I look forward to welcoming you to Low Osgoodby Grange and being a part of your incredible journey!
